Impact Advisors Named to *Healthcare Informatics* “HCI 100” List

Chicago, IL (May 27, 2014) – Impact Advisors, LLC, an award-winning healthcare information technology consulting firm, today announced that it has been ranked on the annual *Healthcare Informatics* “HCI 100” list of the highest revenue-earning healthcare IT companies for the fourth consecutive year.

The *Healthcare Informatics* “HCI 100” list ranks the leading 100 vendors with the highest revenues derived from healthcare IT products and services earned in the U.S. The annual ranking is based on revenue information from fiscal year 2013. The list is one of the most respected compilations of major healthcare IT companies in the United States and has been compiled by *Healthcare Informatics* for more than 20 years. This year’s ranked vendors will appear in the June/July 2014 issue of the magazine. To view the complete list, [click here](#).

“We are excited to be ranked on the “HCI 100” list again this year,” said Todd Hollowell, Chief Operating Officer at Impact Advisors. “We would not be successful if it wasn’t for the dedication and hard work of each of our Associates along with the confidence and strong relationships we have built with our clients.” “We want to thank both our Associates for helping us continue to grow year-after-year and our loyal clients for their continued trust in our team.”

Impact Advisors has received many other industry recognitions over the years including being named Best in KLAS for six consecutive years, *Modern Healthcare*’s Best Places to Work in 2013, *Consulting Magazine*’s Best Firms to Work for in 2012 and *Achiever*’s 50 Most Engaged Workplaces. Most recently, President and Co-Founder Andy Smith received honors as one of *Consulting Magazine*’s Top 25 Consultants of 2014.
