Andrew Smith Named One of Consulting Magazine's Top 25 Consultants of 2014

President and Co-Founder of Impact Advisors Receives Accolades from Consulting Magazine

Chicago, IL (May 9, 2014) – Andrew Smith, President and Co-Founder of Impact Advisors, an award winning healthcare information technology consulting firm was named one of the “Top 25 Consultants” of 2014 by Consulting Magazine. Smith is being recognized in the Excellence in Leadership category.

Consulting Magazine’s “Top 25 Consultants” list, started in 2000, is announced every spring and recognizes consultants making the greatest impact on their clients and within their organization. This year over 400 nominations were received by the magazine. Smith will be traveling to New York City to attend the “Top 25 Consultants” Recognition Dinner on June 19th. To view the complete list of the “Top 25 Consultants”, click [here](#).

“I am honored to be recognized among this group of professionals and humbled to have been nominated by my team”, said Andrew Smith. “I am passionate about serving the healthcare industry and I contribute all of my success to the team I work with side by side on a day to day basis at Impact Advisors.”

Smith has more than 24 years of experience in the healthcare information technology industry. His extensive experience working with academic hospitals, integrated delivery networks (IDNs), community hospitals and physician group practices has enabled him to serve as a strategic advisor to many of the industry’s leading Executives helping them to solve their toughest challenges.
